Untwisting Scriptures

Untwisting Scriptures

Have the Scriptures been twisted to keep you in bondage? The real Jesus wants to set you free.

Addressing some of the controversial Scriptures about gossip, false witness, fear, anger, and more, Rebecca Davis untwists Scriptures by looking at word meaning, context, and the heart of God for His people.

You can speak the truth and experience your emotions without fear of retribution from God. In fact, you may develop a deeper understanding of who God really is.

SCRIPTURES CAN BE UNTWISTED.
YOU CAN RISE UP FROM SPIRITUAL ABUSE
AND WALK IN THE FREEDOM OF CHRIST.

Rebecca Davis is the author or collaborating author of 20 books for children and adults. Her adult books are written to help Christians have a deeper understanding of the true God and His love for them, to help those who have been abused find hope in the Lord Jesus Christ, and to help Christians better understand how they can help those in need. This is her desire for this book, the third in the *Untwisting Scriptures* series.

"I LOVE, LOVE, LOVE this! As a therapist I talk about these things all the time, but I will be recommending this book to lots of people and giving it as a gift as well. Every pastor, Bible study leader, elder, deacon, etc should have this as required reading! Thank you so much for writing a book like this. SO NECESSARY and praying that it will touch the lives of many!" —a reader
